Dear Father Egan:

This letter is in reference to my previous communication concerning your Freedom of Information-Privacy Acts (FOIPA) request.

An exceedingly heavy volume of FOIPA requests has been received these past few months. Additionally, court deadlines involving certain historical cases of considerable scope have been imposed upon the FBI. Despite successive expansions of our staff responsible for FOIPA matters, substantial delays in processing requests continue.

The FBI has 4,233 FOIPA requests on hand. Processing has begun, and is in various stages of completion on 1,110 of those cases. It will not be possible for the FBI to meet all workday deadlines previously made. In an effort to deal fairly with any request requiring the retrieval, processing and duplication of documents, each request is being handled in chronological order based on the date of receipt. Please be assured that your request is being handled as equitably as possible and that all documents which can be released will be made available at the earliest possible date.

MAILED 7

To expedite release of any documents which may pertain to you, please submit your notarized signature. This procedure is designed to insure that information concerning an individual is released only to that person.

It is noted that the information pertains to an autobiographical diary type theme that requestor distributes to his friends; however, it is not known the amount of distribution and this release could possibly identify source. This also applies to page 6, paragraph 4, page 7 and page 8, paragraphs 1, 2, and 3.
